

# Sabeel Wave of Prayer

## March 5<sup>th</sup> 2020

This prayer ministry enables local and international friends of Sabeel to pray over regional concerns on a weekly basis. Sent to Sabeel's network of supporters, the prayer is used in services around the world and during Sabeel's Thursday Communion service; as each community in its respective time zone lifts these concerns in prayer at noon every Thursday, this "wave of prayer" washes over the world.

This week's Kumi Now initiative focuses on the work of the Israeli Coalition of Women for Peace, (CWP), which was founded in 2000. The CWP is now a leading voice in the Israeli peace movement. It has called for an end to the blockade of Gaza, as well as an end to the Israeli occupation of Palestine. In 2007, the CWP founded a research project to discover which corporations' profit from the occupation. [<https://kuminow.com/cwp>]

***· Dear Lord, we pray for the peace work of the CWP and that their information will bring pressure to bear on corporations profiting from the occupation. We pray for an end to the violations against the human rights of Palestinians under the Israeli occupation.***

***Lord, in your mercy...***

***Help us act.***
